## Notes:

A **Leisure Membership (LM)** is for cyclists who take part in non-competitive formats of the sport. Participating in sportives, leisure cycles, club spins or just training individually or part of a group or club. This type of licence is available for all adults aged 18+

A **Limited Competition (LC)** licence allows you to compete in all domestic competitions except open road race. This licence would cover you for events in disciplines such as: Track, BMX, Off-Road, Time-Trials, Hill-Climbs, Club Racing and Club Leagues. This licence is not specific to one discipline; it covers them all. It does not include Open Road Racing.

A **Full Competition (FC)** licence allows you to complete in all competitive events. This includes Track, BMX, Off-Road, Time-Trials, Hill-Climbs, Club Racing Club Leagues and Open Road Racing. Categories are based on ability, the highest being A+, and A4 for new or less experienced members. Race distances vary depending on the category.

More information on membership categories and prices may be found on the Cycling Ireland website here: <https://www.cyclingireland.ie/get-involved/membership/>
